INTRODUCTION

Greater Johnstown Career and Technology Center has been developing and offering training programs for adults for over 50 years and is proud to have helped thousands of people improve their skills, train for a new career, and prepare for a successful life course. The Adult Education programs provide opportunities for adults in the community to receive specialized training in many vocational and technical areas. The programs are planned to provide training for individuals already working as well as those who wish to retrain for a new career. Many of the Post-Secondary programs are now articulated with the Mount Aloysius College, Saint Francis University and Pennsylvania Highlands Community College for associate degree status.

MISSION STATEMENT

Ensure Student Success

VISION STATEMENT

Positively impacting an ever-changing workforce

ETHICAL OBLIGATIONS

Promote Learning • Ensure Health and Safety • Protect the Public and Private Trust • Respect Diversity

ADMINISTRATIVE STAFF

Mr. Arnold Nadonley, Chief School Administrator
Mr. John S. Augustine II, Administrative Director
Mrs. Tricia Rummel, Supervisor of Adult Education
Mrs. Laura Hollis, Practical Nursing Coordinator

NOTICE OF NONDISCRIMINATION

The Greater Johnstown Career and Technology Center does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities. Career and Technical education program offerings include: Secondary programs - Automotive Repair Technology, Collision Repair & Refinishing, Construction Technology, Cosmetology, Culinary Arts, Diesel Mechanics, Early Childhood Education, Graphic & Digital Media Design, Health Assistant, Laboratory Technology, Machine Tool Technology, Sports Medicine, and Welding. Adult Education programs – Advanced Manufacturing and Programming Education, Auto Inspection, Commercial Driver Training, Cosmetology, Electrical Technology, HVAC, Mobile Equipment Operations, Nurse Aide, Practical Nursing, and Welding. Inquiries may be directed to: Title IX Coordinator at 445 Schoolhouse Road, Johnstown, PA 15904 or at (814)266-6073 ext. 121 or trummel@gjctc.org. The Greater Johnstown Career and Technology Center affirms that all employment practices will be done in adherence to Title IX of the Educational Amendments of 1972, Title VI and VII of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973. We further affirm that all curriculum offerings and student enrollment practices will be handled without discrimination based on sex, age, race, color, religion, national origin, or non-job related handicaps or disabilities. Inquiries should be directed to: The Title IX Coordinator at the Greater Johnstown Career and Technology Center, 445 Schoolhouse Road, Johnstown, PA 15904-2998. (814) 266-6073, ext. 121 or trummel@gjctc.org.

GJCTC Offers Programs for Adults in these Areas

- Career in a Year™
- Short-Term Classes and Programs
- Industry Training

Call: (814) 266-1300 or visit www.gjctc.org for more information.

ACCREDITING AGENCIES/ APPROVING AUTHORITIES

Greater Johnstown Career and Technology Center is accredited by the following agencies to provide educational programs:

- Pennsylvania Department of Education
- Pennsylvania Municipal Police Officer's Education and Training Commission
- Approved by the Pennsylvania State Board of Nursing

How to Enroll in an Adult Education program at GJCTC

Once you have decided to enroll in a career in a year program, follow these steps:

- Call the adult education secretary at (814) 266-6073 x 201 to set up a date and time for the registration interview. This interview will take approximately 45 minutes to one hour and is mandatory.
- Individuals interested in the Practical Nursing Program are required to take an entrance test.
- You must have a high school diploma or GED.
- Be prepared to bring the \$100 registration fee with you to the registration interview. This fee must be paid before your interview begins and is non-refundable. Payment of this fee secures your seat in the class and will be deducted from your tuition once you begin your program.
- During the interview, which is conducted by the adult education career coach, school policies and procedures will be reviewed. Additionally, any entrance requirements you must complete will be reviewed. You will also have the opportunity to ask questions about the program and/or the school.
- After your interview, you should begin the application process for financial aid (if applicable).
- Once all requirements are met, you will receive a letter of acceptance from the Supervisor of Adult Education.
- Students enrolling in daytime intergenerational programs are required to submit applications for the Act 34 criminal background checks and Act 151 Child Abuse Clearances. In addition, if you have not been a Pennsylvania resident for the past two years, you will be required to apply for an FBI fingerprint and criminal history report. More information about background checks will be given to you at the interview.

Students interested in a short-term programs should call (814)266-1300 for registration information.

Call 814-266-1300 if you have additional questions.

FINANCIAL AID

We know that continuing your education can be a financial challenge. In an effort to ensure that everyone who wishes can enroll in our programs, we are proud to offer financial aid opportunities for our adult education programs. Students may apply for Title IV federal aid programs to determine eligibility for financial aid programs.

FINANCIAL AID ELIGIBILITY

Students must meet the following requirements to receive federal financial aid through the Greater Johnstown Career and Technology Center:

- Demonstrate financial need
- Be enrolled in an approved course of study
- Have a high school diploma or GED certificate
- Be a U.S. citizen or eligible non-citizen
- Make satisfactory academic progress and have 90 percent attendance
- Register with the Selective Service, if required
- Not be in default on a Title IV loan
- Not owe a refund on a Title IV grant

FEDERAL AID PROGRAMS

Federal law requires that students may apply for federal aid without paying a fee. Full-time GJCTC students may be eligible for the following federal aid programs:

- Federal Pell Grant
- Direct Loan Program
- Workforce Investment Act (WIA)
- Office of Vocational Rehabilitation (OVR)
- Veterans Benefits (VA)

FINANCIAL AID PROCESS

There is a specific process students must follow when applying for financial aid. The first step is to fill out the Free Application for Federal Student Aid (FAFSA) at least 60 days in advance. If you need help filling out the application or have questions about the financial aid process, please contact us.

FINANCIAL AID APPLICATION STANDARDS

Note: Students must maintain satisfactory attendance and grades in order to maintain eligibility for federal grants and loans. See student handbook for important information on early withdrawals.

Financial Aid Eligibility:

Greater Johnstown Career and Technology Center participates in U.S. Department of Education (DOE) Title IV funding programs. Our participation is in compliance with the latest Higher Education Reauthorization Act for Title IV eligibility and certification requirements. Students in long-term programs are eligible for funding. Students in programs consisting of less than 900 hours may be eligible to apply for a reduced amount of financial aid.

VERIFICATION PROCESS

It may be necessary for students who have applied for Pell Grants and/ or Direct Loans to complete a verification process as stipulated by the U.S. Department of Education. Verification requires documentation to be submitted to the school in order to review the accuracy of the information provided on the financial aid applications.

FINANCIAL AID PROCESS AND SCHOOL CODE

The FAFSA form may be completed on the web at [http:// www.fafsa.ed.gov](http://www.fafsa.ed.gov). Students must sign their forms by entering a FSA ID number that can be obtained on the same site FAFSA website. The school code that should be entered on the FAFSA form for GJCTC is: **016626**. The paper FAFSA worksheet can be printed and filled out at your leisure, then entered on the FAFSA website for processing.

After the U.S. Department of Education processes the FAFSA application, the student will receive a Student Aid Report, which will indicate whether the student may be eligible for a grant; however, it will not indicate the amount of the grant. The student may contact the GJCTC Financial Aid Office two or three days after they have signed their FAFSA form with their own personal FSA ID to find out the status of their grant. The GJCTC Financial Aid Office will then provide more specific grant information to the student. You may contact the GJCTC Financial Aid Office at: (814) 266-6073 Ext. 123.

FAFSA applications should be submitted well in advance of the program start date. At least 60 days in advance is recommended to allow for possible corrections, verification, etc. Completion of financial aid paperwork is required to confirm your acceptance into the GJCTC program of study you have chosen.

**The Department of Education's websites design and content may change without notice.*

APPLYING FOR A DIRECT OR PARENT/PLUS LOAN

These are the steps to take to obtain a **DIRECT** or **Parent/PLUS** Loan:

1. Complete Online Direct Loan Entrance Counseling

- Go to www.studentaid.gov
- Click "Log In" button
- Follow instructions to sign into the website
- Click on "I'm preparing for school"
- This entrance counseling session must be completed before loan certification will be completed by the school

2. Complete Direct Loan Master Promissory Note (MPN) - (Student Loan Application)

- May be completed online at www.studentaid.gov
- Click "log in" button
- Follow instruction to sign into the website
- Click on "I'm preparing for school"
- Choose "Master Promissory Note (MPN)"
- You may use your FSA ID number that was used to process your FAFSA to electronically sign your Master Promissory Note. The loan school code used for the MPN is: **01000600**

3. Loan Amount Request Form

- Loan Amount Request Form is available from the school – for GJCTC use only – **DO NOT SEND THIS FORM TO AES/PHEAA.**
- Complete loan amount form and return it to the GJCTC Financial Aid Office to expedite loan certification

4. Parent/PLUS Application

- If you are interested in a PLUS loan, a Master Promissory Note and online application is available at www.studentaid.gov
- After logging in click on "I'm a parent"
- Fill out application – "Apply for a Parent Plus Loan"
- Fill out Master Promissory Note (MPN) for a Parent Plus Loan

Career in a Year™ Programs

GJCTC is proud to have helped thousands of people train for a new career. The Career in a Year™ programs are designed to prepare individuals to enter the workplace in one year or less.

ADULT ONLY PROGRAMS

AMPED | Cosmetology | Electrical Technology | HVAC Technology
Mobile Equipment Operations | Welding | Licensed Practical Nursing

***INTERGENERATIONAL PROGRAMS**

*Adult students in Intergenerational Programs will be sharing instruction, classroom, and shop activities with GJCTC's secondary students.

Automotive Technology | Collision Repair Technology
Construction Technology | Culinary Arts | Diesel Mechanics
Machine Tool Technology

Financial Aid is available to qualified individuals for the Career in a Year™ Programs.

Short-Term Classes & Programs

GJCTC offers short-term classes and programs to individuals who are interested in updating their skills or training for a new career. These programs vary in length and can be completed in one day or several weeks.

Commercial Driver Training (CDL) | Nursing Assistant (Nurse Aide) State
Auto Inspection

Student Daily Schedule:

Monday—Thursday

8:00 a.m.–3:30 p.m.

Program Length: 720 Hours

**Advanced Manufacturing and
Programming Education**

AMPED
Career in a Year™

Areas of Training

In an effort to stay current with changes and trends in the industry, the program curriculum may change during the program year and will include general training in:

- CNC g-code programming
- Robotic welding programming
- CNC Lathes
- CNC Milling Machines
- CNC Plasma Cutter
- Blue Print Reading
- The program includes a paid cooperative learning experience at a local company.
- Tuition grant opportunity may be available.

CERTIFICATIONS:

American Welding Society (AWS) certifications (GMAW) | OSHA 10 hour card | NIMS CNC certification in Mill/Lathe Operation

Student Daily Schedule:

Monday—Friday

7:45 a.m.–3:15 p.m.

Program Length: 1,250 Hours

**Cosmetology
Career in a Year™**

Areas of Training

In an effort to stay current with changes and trends in the industry, the program curriculum may change during the program year and will include general training in:

- Scientific concepts
- Professional practices and employability skills
- Customer relations
- Record keeping
- Decontamination and Infection control
- Shampooing and scalp treatments
- Hair cutting, styling, and designing
- Hair removal
- Hair extensions
- Chemical services including foiling, coloring, and retexturing
- Nail care and artificial nails
- Manicure and pedicure skills
- Skin care and makeup
- Physical services

CERTIFICATIONS:

Students who successfully complete the 1,250 hour course are eligible to sit for the state board licensure exam.

Student Daily Schedule:

Monday—Friday

7:45 a.m.–3:15 p.m.

Program Length: 500 Hours

**Cosmetology
Teacher's Program
Career in a Year™**

Areas of Training

The Cosmetology Teacher's Curriculum seeks to produce professionals who will be productive in their fields. Community resources will be utilized to prepare students' careers in teaching Cosmetology. The curriculum will focus on the following topics:

- Educational Psychology
- Learning Philosophy
- Lesson and Curriculum Planning
- Classroom Management
- Instructional Methods
- Assessment Methods
- The Art of Teaching
- Classroom Supervision/
Clinic

CERTIFICATIONS:

Students who successfully complete the 500 hour course are eligible to sit for the state board licensure exam.
