Emergency Grants to Students
Under the Coronavirus AID, Relief, and Economic Security (CARES) Act

The U.S. Department of Education has made Emergency Grants to students of our institution who need financial support for their expenses related to the disruption of campus operations due to Coronavirus. Each student will be eligible for only one grant, and grants will only be awarded to students who are currently enrolled in a program at GJCTC.

Please complete the application below to apply for one of these grants. The grant money is to be used to cover expenses related to the disruption of education due to the coronavirus (food, housing, course materials, child care). The money awarded to the school will be awarded equally among students. Students enrolled in part-time programs will receive half of the grant award.

Return your completed application in the envelope provided no later than **Friday, May 22, 2020**. The application must be filled out completely and neatly; illegible applications will not be considered.
