

# Greater Johnstown Career & Technology Center Career Foundation Grant Guidelines

Thank you for applying for the Greater Johnstown Career and Technology Center Fund Scholarship. This scholarship is made possible with the generous gift support from the Community Foundation, and other donors, including the Mihalko Family Trust.

The purpose of the endowment is to benefit current or prospective students and recent graduates of the Greater Johnstown Career and Technology Center scholarships and grants for business ventures.

Your application will be scored and reviewed by a Committee that was appointed by GJCTC. Priority is given to “high value” or “in demand” occupations. Part of the review process will include a personal interview.

In order to qualify, you must be a current, prospective or recent graduate (5 years) of GJCTC. You are required to provide verification.

Please refer to the Community Foundation for the Alleghenies website [www.cfalleghenies.org](http://www.cfalleghenies.org) for its rules and regulations pertaining to scholarships, which also apply to this award.

Grants and scholarships may be considered taxable income and you will be issued a 1099.

You will be required to sign an Acknowledgment and submit documents to verify the use of the funds if they are awarded to you as a condition of any scholarship or grant award.
