CHOOSE OUR SCHOOL

AT GREATER JOHNSTOWN CAREER AND TECHNOLOGY CENTER, WE...

- **PROMOTE** LEARNING
- **ENSURE** HEALTH & SAFETY
- **RESPECT** DIVERSITY
- **PROTECT** THE PUBLIC & PRIVATE TRUST

ETHICAL OBLIGATIONS

Greater Johnstown Career and Technology Center is committed to developing a quality, educated workforce for our community and its surrounding area. From high school career preparation to adult education classes and industry training, we have the resources available to help our community and its businesses thrive.

STUDENTS WILL LEARN:

- Work ethic
- Responsibility
- Leadership skills
- Critical thinking skills
- Time management
- Job and career skills

OUR SHARED VALUES:

GJCTC values a caring faculty, staff and student body that demonstrates PRIDE:

- Positive Attitude
- Respect
- Innovation
- Dependability
- Engagement

OUR SCHOOL

Our MISSION is to ensure student SUCCESS.
Our VISION is to positively impact an ever-changing workforce.

Greater Johnstown Career and Technology Center is not your typical school. We are committed to ensuring student achievement in career and technical education and to leading our students and graduates to high-skill, high-wage employment. Our well-respected, quality programs create a positive impact on our community as we carry out this goal.

HIGH SCHOOL PROGRAMS

We work with high school students on their path to career exploration and success, ensuring that each one leaves us armed with the knowledge and resources for success. Our high school students come from seven participating area school districts and attend classes on our campus on a part-time basis while completing core academic courses at their home school.

ARTICULATION AGREEMENTS

The Articualtion Agreements in this booklet are based on the agreements from the 2024-2025 school year and are subject to change.

COLLEGE READY (SOAR PROGRAM)

If you plan to further your education after high school graduation, Greater Johnstown Career and Technology Center can give you an advantage in your college career. We have established articulation agreements with various colleges for all of our high school programs to give qualifying students college credits for completing our high school program. Visit our website for more information on the colleges and credits available. For more information on articulation agreements, visit collegetransfer.net.

WE ARE PROUD TO SERVE SECONDARY STUDENTS IN THE FOLLOWING SCHOOL DISTRICTS:

- Conemaugh Township School District
- Ferndale Area School District
- Forest Hills School District
- Greater Johnstown School District
- Richland School District
- Westmont Hilltop School District
- Windber Area School District

> **"THE EDUCATION AND HANDS-ON TRAINING I RECEIVED AT GJCTC ENABLED ME TO SECURE A GREAT JOB IN THE ELECTRICAL FIELD RIGHT AFTER GRADUATION."**
>
> - JEFF, GRADUATE

ADVANCED MANUFACTURING / ROBOTICS

COURSE DESCRIPTION:

- Apply advanced manufacturing concepts to design, invent, and produce concepts through various processes (i.e. 3D Printing, Laser Printing, Robotic Welding & Machining)
- Use innovative technology equipment to develop confidence and work ethic to support the manufacturing process from concept to creation
- Exercise creative thinking skills to enhance individualized education

HANDS-ON TRAINING

- Safety
- Design, Layout & Production
- 3D Printing
- Layout design
- Blueprint reading
- Computer Modeling
- Robotics Rapid Prototyping
- CNC Machining

This program is available to Greater Johnstown School District students.

CERTIFICATIONS:

- AWS
- NIMS-CNC
- OSHA 10-Hour General Industry
- S/P2 Safety Training

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Soar Statewide Articulation Agreements:
  For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

AUTOMOTIVE TECHNOLOGY

COURSE DESCRIPTION:

- A modern environment where students will perform diagnostics & repairs on today's advanced vehicle systems
- Utilize the latest equipment as students progress from basic safety & tool training to the more advanced & complex vehicle electrical systems trainings
- Expect to prepare & obtain PA State Vehicle Inspection License upon course completion

HANDS-ON TRAINING

- Vehicle Maintenance Services
- Steering & Suspension Systems
- Braking Systems
- Heating & Air Conditioning Systems
- Engine Mechanical, Cooling, & Exhaust Systems
- Electrical Systems
- Engine Performance

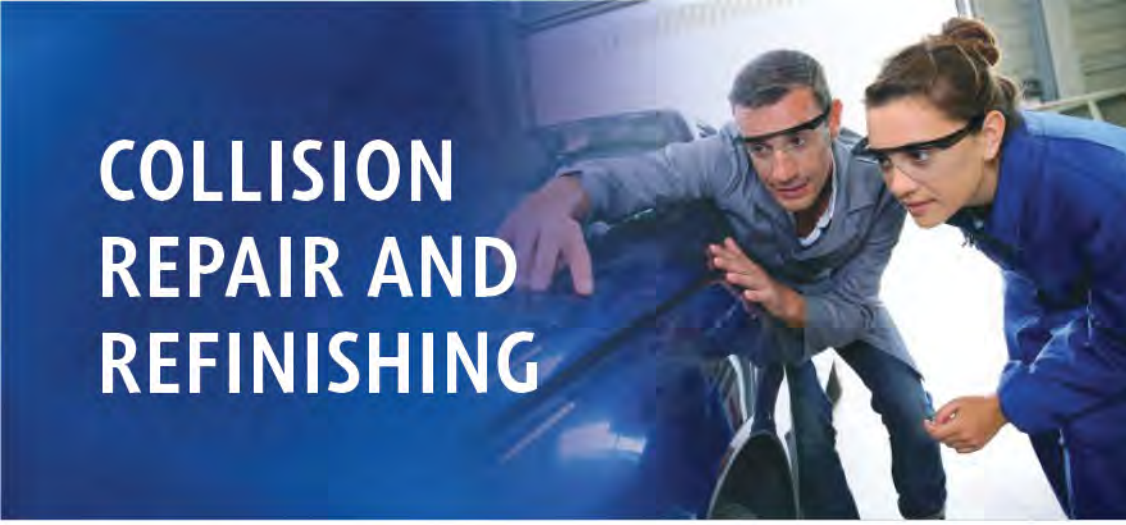
CERTIFICATIONS:

- S/P2 Safety and Pollution Prevention Training
- ASE Entry-Level Certifications
- PA State Inspection
- Section 609 Mobile Air Conditioning Certification
- OSHA 10-Hour Automotive

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

COLLISION REPAIR AND REFINISHING



COURSE DESCRIPTION:

- Use advanced equipment and techniques found in professional auto collision repair companies
- Design, prepare, paint, and refinish vehicle surfaces
- Reconstruct vehicles back to pre-accident condition

HANDS-ON TRAINING

- Safety
- Business Fundamentals
- MIG/GMAW and STRSW
- Structural and Non-Structural
- Mechanical and Electrical Systems
- Painting and Refinishing

Graduates are prepared for ICAR Certification, immediate employment and further education.

CERTIFICATIONS:

- S/P2 Safety and Pollution Prevention Training
- ASE Entry-Level Certifications
- PA State Inspection
- Section 609 Mobile Air Conditioning Certification
- OSHA 10-Hour Automotive

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Thaddeus Stevens College of Technology
  - 12 Credits towards College of Technology programs
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

CONSTRUCTION TRADES

COURSE DESCRIPTION:

Concentration in Carpentry - Masonry - Electrical - HVAC - Plumbing

- Construct building projects from blueprints to completion
- Explore and develop techniques in Carpentry, Masonry, Electrical, Plumbing and an introduction to HVAC
- Operate a wide range of professional hand, power and air tools

***Uses nationally recognized curriculum built upon industry standards**

HANDS-ON TRAINING

- Safety
- Electrical
- HVAC
- Energy Efficiency
- Blue Prints
- Roofing
- Flooring
- Site Layout
- Carpentry
- Masonry
- Plumbing
- Framing
- Hand, Power and Air Tools
- Drywall

CERTIFICATIONS:

- NCCER Certification
  - Core Curriculum
- S/P2 Construction Technology Safety Certificate
- OSHA 10-Hour Construction

To qualify for the GJCTC Dual Enrollment Program, students must have completed the NCCER Core Curriculum prior to graduation.

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs
- GJCTC Dual Enrollment Program
  - GJCTC's Electrical Technology or HVAC Program (7.65 credits and/or 80 clock hours, a tuition savings of $1,080.)
  - GJCTC's Mobile Equipment Operations (7.65 credits and/or 80 clock hours, a tuition savings of $1,520.)

COSMETOLOGY

COURSE DESCRIPTION:

- Experience a full-service interactive salon environment
- Use professional salon techniques to provide a full range of hair, nail, and skin care services
- Create and develop unique styles to exceed client expectation

HANDS-ON TRAINING

- Safety & Sanitation
- Hair Shaping (Cutting)
- Hair Coloring
- Temporary Hair Removal
- Nail Technology
- Hair Styling
- Makeup
- Trichology & Chemistry
- Cosmetic Dermatology
- Professional Business Practices
- PA Cosmetology Law
- Chemical Texturizing

CERTIFICATIONS:

- The Cosmetology course is designed to assist the students in preparing for passing the PA State Board of Cosmetology licensing exam. Students must complete 1250 satisfactory hours of instruction to be eligible for the exam
- OSHA 10-Hour Cosmetology
- S/P2 Cosmetology Safety

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

CULINARY ARTS

COURSE DESCRIPTION:

- Work side-by-side with a professional chef to create gourmet meals and desserts for catering events
- Plan, prepare and serve meals for upscale events and casual dining
- Create and produce foods with an artistic presentation

HANDS-ON TRAINING

- Safety
- Sanitation
- Purchasing & Receiving
- Storage
- Cutting Tools & Utensils
- Nutrition
- Standardized Recipe Preparation
- Front of House Procedures
- Basic Baking Practices
- Plan & Cost Menus

Culinary Arts is the #1 employer in the nation.

CERTIFICATIONS:

- ServSafe Certification
- ProStart Certification of Completion
- OSHA 10-Hour Culinary Arts
- S/P2 Workplace Safety
- S/P2 Food Safety

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship, A.A.S. (15 credits)
  - Culinary Arts, A.A.S. (11 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

DIESEL TECHNOLOGY

COURSE DESCRIPTION:

- Analyze and repair complex electric, hydraulic and diesel fuel systems for a variety of heavy equipment
- Troubleshoot, repair and assemble diesel and gas powered engines and machinery
- Use equipment and techniques found in professional heavy equipment facilities

HANDS-ON TRAINING

- Safety
- Suspension and Steering
- Preventative Maintenance
- Fuel System
- Cooling System
- Brake Systems
- Tools, Fabrication & Hardware
- Driveline
- Air Intake & Exhaust Systems
- Electrical/Electronic

This program is available to Greater Johnstown School District students.

CERTIFICATIONS:

- S/P2 Safety and Pollution Prevention Training
- ASE Entry-Level Certifications
- PA State Inspection
- Section 609 Mobile Air Conditioning Certification
- OSHA 10-Hour Automotive

Students may also qualify to take the Forklift Safety Training Program.

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

DIVERSIFIED OCCUPATIONS

GUIDELINE FOR THE DIVERSIFIED OCCUPATIONS PROGRAM

- Eligible to 11th and 12th grade students only.
- For those who are unable to participate in specialized career training not offered at GJCTC or the sending high school.
- The student and the training site will follow a specialized Training Plan and Training Agreement.
- Career Training must align with the student's career objectives.

PROGRAM DESCRIPTION

- Weekly classroom instruction with Diversified Occupations Coordinator, 45 minutes/week, for school-based, academic and career-specific instruction. (1 credit per school year)
- Employed a minimum of 15 hours/ week during the school year during the student's 12th grade year, at an approved work-based learning site.
- Payment of the existing legal wage, or better, during work-based learning.
- A certified cooperative education teacher will manage the program.

SPECIFIC STUDENT ELIGIBILITY REQUIREMENTS

- Transportation to/from job site
- Valid PA driver's license and insurance
- Appropriate work clothes for site visits
- Student will follow all program guidelines while enrolled

EXAMPLES OF DIVERSIFIED OCCUPATION PROGRAMS INCLUDE BUT ARE NOT LIMITED TO:

- Veterinary Technician
- Dental Hygienist
- Banking
- Retail Sales
- Sports Trainer
- Physical Therapy Assistant

ADVANTAGES TO STUDENTS

- Encourages students to obtain employment in the local community
- Encourages the development of good work habits and attitudes
- Facilitates an easier transition from school to the work force
- Students earn wages while they learn
- Students experience employment opportunities and responsibilities

*Upon completion of the Diversified Occupations program, D.O. students are required to sit for the NOCTI Competency Exam "21st Century Skills."

GRAPHIC AND DIGITAL MEDIA DESIGN

COURSE DESCRIPTION:

- Produce a full-range of creative client projects
- Create illustrations, logos and dynamic visuals to communicate through print and digital media
- Use the same advanced equipment, software and techniques as professional graphic designers

HANDS-ON TRAINING

- Safety
- Web or Mobile Design Software
- Advertising Design
- Principles of Design
- Digital Photography
- Explore Current Industry Trends
- Social Media
- Professional Practices

Everything from the label design on your soda can to the billboard advertising your insurance company relied on a graphic designer for their marketing.

CERTIFICATIONS:

- Adobe Certified Associate Certification:
  - Adobe Illustrator
  - Adobe Photoshop
- OSHA 10-Hour General Industry

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S.(15 credits)
  - Marketing Management A.A.S. (3 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

HEALTH ASSISTANT

COURSE DESCRIPTION:

- Develop medical assisting skills using high-tech equipment found in today's health care facilities
- Experience live clinical instruction at long-term care facility
- Practice medical assistant skills in a high-tech SIM lab

HANDS-ON TRAINING

- Safety
- Communication
- Emergency Care
- Nutrition & Hydration
- Human Body Diseases
- Professionalism
- Infection Control
- Human Needs & Development
- Moving, Lifting & Positioning
- Medical Terminology

Students are able to take the Certified Nurse Aide (CNA) License exam when they are seniors & have completed the 150-hour course within the program.

CERTIFICATIONS:

- National Safety Council Bloodborne and Airborne Pathogens
- American Heart Association Health Care Provider CPR
- American Heart Association First Aid
- Certified Nurse Aid Licensure
- National Safety Compliance:
  - Safety Orientation for Health Care
  - Bloodborne Pathoagens
- HIPPA Training
- Heart Saver First Aid
- BLS Provider CPR
- BLS Provider AED
- OSHA 10-Hour Healthcare

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
  - Medical Assisting Technology A.A.S. (9 credits)
  - Patient Care Technician, Certificate (3 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

LAB TECHNOLOGY

COURSE DESCRIPTION:

- Explore the multi-faceted world of laboratory work, including: Genetic Engineering, Investigative Forensic Science, Microbiology, Quality Control and Agricultural & Animal Science Disciplines
- Learn laboratory techniques and concepts required to excel in this exciting field
- Perform scientific inquiry & analysis in our state of the art laboratory

HANDS-ON TRAINING

- Comprehensive Safety Training
- Extensive Skills Training
- Training of equipment found in Professional labs
- Pharmacy Tech Skills

There are over 1,600 life science and biotech-related companies in Pennsylvania.

This program is available to Greater Johnstown School District students.

CERTIFICATIONS:

- First-Aid Certification
- Heart Saver First Aid
- Heart Saver CPR
- Heart Saver AED
- OSHA 10-Hour Healthcare

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

MACHINE TOOL TECHNOLOGY

COURSE DESCRIPTION:

- Experience a fast-paced, high-performance manufacturing environment
- Utilize advanced computer-controlled technology to manufacture precise steel, aluminum and plastic components
- Create and read blueprints with ACAD and MasterCam

Machinists and Tool and Die Makers are high priority occupations in Pennsylvania.

HANDS-ON TRAINING

- Safety
- Layout
- Lathes
- Milling Machines
- Metallurgy
- Blueprint Reading
- CNC Programming

This program is available to Greater Johnstown School District students.

CERTIFICATIONS:

- National Institute for Metal Working Skills: NIMS
  - Machining Level 1
  - Machining Level 2
- OSHA 10-Hour Manufacturing
- S/P2 Machining

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Thaddeus Stevens (11 credits)
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

MICROCERTIFICATIONS

*SENIOR ONLY

Electrical Vehicle Training is required for all Auto Program Seniors. CDL Training is an elective program

AUTOMOTIVE ELECTRICAL/ ELECTRONIC TRAINING

- Learn, build, and diagnose series and parallel DC circuits
- Read and interpret electrical schematics
- Learn how electronic vehicle systems work and troubleshooting techniques
- Students will earn their ASE xEV High-Voltage Level 1 Electrical Safety certification

CDL TRAINING

- Opportunity to earn a Class A CDL License
- Online and practical training
- Learn pre-trip inspection, lot skills, and driving using a full-size commercial tractor trailer with manual transmission
- Practice safe driving tactics on the road
- Learn the law associated with commercial trucks and cargo

ELECTRIC/HYBRID VEHICLE COURSE

- Entrance into the E/H Vehicle Course is contingent upon performance in the Automotive Electrical/Electronic Training Course
- Learn Electric/hybrid battery technologies/construction
- Learn the components and operation found in Electric and Hybrid vehicles
- Work with live lithium-ion battery packs
- Earn ASE xEV High-Voltage Level 2 Electrical Safety certification

CDL REQUIREMENTS

- Open to all students 18 years of age and older
- Student must be able to obtain a DOT physical and CDL learner's permit within the first 60 calendar days of class
- Must have a valid driver's license
- Only 4 students at a time can participate in the CDL Training. The first four (4) students to complete the requirements by the due date will be eligible for the CDL Training.

PRE-TEACHER PREPARATION PROGRAM

COURSE DESCRIPTION:

- Orientation to the Education Profession
- Research potential career paths with in the education profession
- Develop professional goals and a postsecondary career plan

"Every day, teachers experience the difference they make. They get to be heroes, role models and cheerleaders."

HANDS-ON TRAINING

- Learning Environment
- Classroom Management
- Human Growth and Development
- Clinical Experience Observation
- Clinical Experience Participation
- Professionalism, Ethics and Reflective Practice

This program is available to Greater Johnstown School District students.

CERTIFICATIONS:

- Mandated Reporter
- CPR/First Aid
- Heart Saver First Aid
- Heart Saver CPR
- Heart Saver AED

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
  - Early Childhood Development A.A. (16 credits)
  - A Dual Enrollment Program is available through PHCC, up to 9 credits
- St. Francis University – Division of Professional Studies – 6 Credits
- Soar Statewide Articulation Agreements: For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

WELDING

COURSE DESCRIPTION:

- Use advanced fabrication equipment & welding techniques to build, assemble & repair metal components
- Read blueprints to meet critical design specs
- Develop the confidence, work ethic & team cooperation necessary for a career in fabrication

HANDS-ON TRAINING

- Safety
- Weld symbol interpretation
- Gas metal arc welding
- Gas tungsten arc welding
- Visual inspection, examination & testing
- Manual plasma arc cutting
- Welding & Drawing
- Shielded metal arc welding
- Flux cored arc welding
- Oxyfuel gas cutting

CERTIFICATIONS:

- AWS SMAW: 1G, 2G, 3G, 4G
- AWS GMAW: 1G, 2G, 3G, 4G
- AWS FCAW: 1G, 2G, 3G, 4G
- OSHA 10-Hour Manufacturing
- S/P2 Welding Safety
- ToolingU Certification

ARTICULATIONS AGREEMENTS

- Penn Highlands Community College
  - Entrepreneurship A.A.S. (15 credits)
- Thaddeus Stevens College of Technology
  - 12 Credits towards College of Technology programs
- Soar Statewide Articulation Agreements:
  For more information on articulation agreements, visit: https://www.collegetransfer.net/Search/PA-Bureau-of-CTE-SOAR-Programs

COOPERATIVE EDUCATION

COOPERATIVE EDUCATION AT GJCTC

The Cooperative Education Program is a capstone program where select students combine academic classroom and occupational instruction with on-the-job training at an area business. The program is designed to integrate the classroom instruction with connecting activities, such as a planned, supervised paid work experience. Cooperative Education improves the students workforce preparation by providing an orientation to the workplace, additional job skills and an understanding of the responsibilities of being an employee.

During Co-op, the student continues to receive their academic classes at their home school and participates in on-the-job training in a business/industry during their GJCTC time. GJCTC believes that a student should be placed on a cooperative work experience program only when the following conditions are met:

1. When the job is related to the occupational field the student is studying
2. The job offers adequate training opportunity to the student in light of the student's abilities and occupational objective
3. When the work experience will benefit the student
4. When the student is recommended by his or her program area instructor and has acceptable conduct, attendance and classroom grades
5. The student is eligible, if defined as a program concentrator, by the PA Department of Education
6. The student must be in the second semester of the 2nd year of the program and have successfully completed half of the program's competencies

Participating businesses/industries include, but are not limited to:

BCL Manufacturing Inc.
Blackner Excavating
Building Blocks Childcare
CJ Merlo Inc.
Clearwater Construction
Corner Coffee Shoppe
Cresson Motors
Electromet Corporation
Elle Salon and Spa
Five Star International
Fleck
Hercules Truck
Hoss's Steak & Seahouse
J&J Trucking
JWF Industries
KCR, LLC
Laurel Auto Group
Leiss Tool and Die
Little Starfish Daycare
M & M Hair Design
Maher
Makin' Waves Salon
Master Machine
Mission Critical Solutions
Mlaker Transportation
Penn Machine
Penndot
Riggs Industry
Roxbury Tire
Samco Inc.
Stephenson Equipment
Shaffer Farms
Spangler Subaru
Spisak Trucking
Suppus Ford
The Learning Lamp/Ignite Eduction
Thomas Team Honda

The Greater Johnstown Career and Technology Center does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. Career and Technical education program offerings include: Secondary programs – Advanced Manufacturing/Robotics, Automotive Repair Technology, Collision Repair & Refinishing, Construction Technology, Cosmetology, Culinary Arts, Diesel Mechanics, Graphic & Digital Media Design, Health Assistant, Laboratory Technology, Machine Tool Technology, Pre-Teacher Preparation, and Welding. Adult Education programs – Auto Inspection, Commercial Driver Training, Cosmetology, Drone Training, Electrical Technology, HVAC, Intergenerational Advanced Manufacturing/ Robotics, Intergenerational Automotive Technology, Intergenerational Collision Repair, Intergenerational Construction Trades, Intergenerational Cosmetology, Intergenerational Culinary Arts, Intergenerational Diesel Mechanics, Intergenerational Machine Tool Technology, Intergenerational Welding, Mobile Equipment Operations, Practical Nursing, Robotic Technology in Manufacturing, and Welding. Inquiries may be directed to: Title IX Coordinator at 445 Schoolhouse Road, Johnstown, PA 15904 or at (814)266-6073 ext. 121 or trummel@gjctc.org.
The Greater Johnstown Career and Technology Center affirms that all employment practices will be done in adherence to Title IX of the Educational Amendments of 1972, Title VI and VII of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973. We further affirm that all curriculum offerings and student enrollment practices will be handled without discrimination based on sex, age, race, color, religion, national origin, or non-job related handicaps or disabilities. Inquiries should be directed to: The Title IX Coordinator at the Greater Johnstown Career and Technology Center, 445 Schoolhouse Road, Johnstown, PA 15904-2998. (814) 266-6073, ext. 121 or trummel@gjctc.org.

I hereby make application for training as indicated above. If accepted, I will give my best efforts so that I may profit from this specialized type of education.

I further understand that my program of studies will include required and training-related subjects. Thus, upon successful completion of my major course selection, I will be eligible for my Proficiency Training Certificate, and may extend my learning experiences beyond the 12th grade.

The student and parent hereby authorize home school personnel to supply information to the Greater Johnstown Career and Technology Center in support of the application.

GREATER JOHNSTOWN CAREER AND TECHNOLOGY CENTER

The most important decision students make is deciding which career path they would like to take. Greater Johnstown Career & Technology Center can help students do just that. We work with students to analyze occupational trends and match it with their particular talents and interests to help them identify the right path. Whether it's a path that leads to college, the military, or directly into the workforce after high school, GJCTC prepares students for the future.

The Greater Johnstown Career and Technology Center does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. Career and Technical education program offerings include: Secondary programs – Advanced Manufacturing/Robotics, Automotive Repair Technology, Collision Repair & Refinishing, Construction Technology, Cosmetology, Culinary Arts, Diesel Mechanics, Graphic & Digital Media Design, Health Assistant, Laboratory Technology, Machine Tool Technology, Pre-Teacher Preparation, and Welding. Adult Education programs – Auto Inspection, Commercial Driver Training, Cosmetology, Drone Training, Electrical Technology, HVAC, Intergenerational Advanced Manufacturing/Robotics, Intergenerational Automotive Technology, Intergenerational Collision Repair, Intergenerational Construction Trades, Intergenerational Cosmetology, Intergenerational Culinary Arts, Intergenerational Diesel Mechanics, Intergenerational Machine Tool Technology, Intergenerational Welding, Mobile Equipment Operations, Practical Nursing, Robotic Technology in Manufacturing, and Welding. Inquiries may be directed to: Title IX Coordinator at 445 Schoolhouse Road, Johnstown, PA 15904 or at (814)266-6073 ext. 121 or trummel@gjctc.org.

The Greater Johnstown Career and Technology Center affirms that all employment practices will be done in adherence to Title IX of the Educational Amendments of 1972, Title VI and VII of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973.
