GJCTC offers short-term programs to individuals interested in updating their skills or training for a new career.

AUTO INSPECTION

This class teaches students proper procedures for performing a state inspection on automobiles, heavy trucks, and motorcycles. Students may register for one or all three categories depending on interest. Upon successful completion of the class and assessment, students receive a Pennsylvania State Inspection License.

GJCTC reserves the right to cancel a class due to low enrollment or unforeseen circumstances.

In an effort to stay current with changes and trends in the industry, program curriculum may change during the program year.
